Hi Surya,

Totally agree with Soujanya.

Many thanks for all the help you and Minakshi extend for ensuring these events are carried out so successfully. Thank you so much and appreciate all the support!

Thank you Krishna for the arrangements on 16th. Special mention of food – very tasty ☺.

Please do pass on the thanks to the entire team. Without your support we will not be able to conduct these events with such ease.

Thanks

Hi Surya,

Good morning !

Appreciate your sincere efforts in making all our events successful.

1. Purpose4Life event – Superb co-ordination despite the continuous obstacles of weather.
 - a. Flash mob – Arranged the speakers on time though we had trouble with the music. HR made a special mention about this co-ordination work.
 - b. Annual fun fest – Though the weather was really bad, you completed all the required arrangements within the requested time and everything was up and running for the event. It was a ready-to-go event for us. Volunteers have greatly appreciated the way you have arranged and helped.
2. Innovation event – Grand success with all the support provided all throughout Jun 26th till Aug 9th. Name it Flexi, Posters, certificates – all have been arranged.

This clearly reflects the RIO training. Thank you so much !

@ Krishna – Thank you so much for arranging the lunch, at the last moment, on Aug 16th with Mr. Rajanna as part of our Innovation Grand Finale.

Surya,

Kindly cascade Special thanks to each and every one from your team(s) who were able to make our event a grand success !

Appreciate your effort and support in future activities as well !

Thank you !

Regards,

Soujanya
